Description

Stamperia was the first company to print onto wood grain papers and their rice paper is of the highest quality. Printed with special techniques both manually and by machine, the result is the paper keeps its colour and stays shiny whilst still keeping the resistance and transparency. They are great for all you scrapbook projects, gift box making, mdf projects and much more.

Excellent quality extremely strong and transparent. Use with all your home décor projects onto ceramic, textiles and other substrates.

Use with all your acrylic paints to blend and add detail.

Create different effects by tearing, feathering or just using the sheet as a whole. Use on a materials great to decorate a candle or a glass plate. They will adhere to almost all surfaces.

Great for card- making, scrapbooking, mixed media and much more.
