Description

1 pc press plate set designed by Inna Moreva. Made to coordinate with the Decorative Frames die.

Available for purchase separately. Experience the elegance and sophistication of LetterPress stationery with our gorgeous Press Plate designs!

Created to work with the BetterPress LetterPress System from Spellbinders, an innovative way to achieve the elegant look of letterpress without the mess.

Use the press plates on our watercolor paper for a luxurious and high end feel to all your papercrafting and stationery projects.

A dual purpose product, you can also use our press plates for foiling with your hot foil system.

They foil beautifully, and we love the added versatility of being able to letterpress and hot foil with one product.

Approximate measurements 4.25 X 5.5 inches.
