Description

Plaster 3D Embossing Folder is a 5.50 x 8.50-inch embossing folder with a unique plaster or stucco design that fills the entire folder. Fun to add to mix media inspired creations. Makes a fabulous addition to mix and match with the other sets in this collection! Create fun birthday themed creations from this Birthday Bash Collection by Simon Hurley. It has all kinds of textures, shine, patterns and more to make someones day special.

This versatile 3D Embossing Folder can texturize a surface of various card sizes from A2-size (4.25 x 5.5-inch) to a Slimline Size (3.5 x 8.5-inch).

For the most detailed impression, lightly mist the cardstock with water before embossing.

Transform cardstock, patterned paper, vellum and more into stunning textured elements to bring your project up a level.
